INT. DAVE'S APARTMENT - DAY

DAVE is watching TV. Scott wanders in with a bowl, looking concerned.

SCOTT
Geek? Geek!

DAVE
I am and proud of it too.

SCOTT
Geek's missing. She missed her dinners. I'm worried.

DAVE
I'll help you look.

SCOTT
I've searched the whole house. I think she may have gotten outside somehow.

DAVE
Then we'll have to look for her
(dramatic pause)
Outside!

Scott and Dave look at the camera, nervously.

BEGINNING OF EPISODE

EXT. DAVE'S APARTMENT - DAY

Dave and Scott emerge cautiously from the front door. Scott has some kind of Ghostbusters-esque BEEPY TRACKING DEVICE.

DAVE

Are you sure that's going to find her?

SCOTT

(indicating gizmo)
I sampled the frequency of her vocalizations and with this Feline Sonic Locator Device, it'll point straight to her.

DAVE

So which way?

INSERT: Close up of device in Scott's hands. The display flashes a green Left Turn Indicator (with accompanying sound effect like a left turn ticker on a car).

SCOTT

(points)
She went that way.

EXT. WOODS - DAY

Scott and Dave pass by a large maple tree with two HOCKEY STICKS leaning against it.

EXT. WOODS - DAY, CONTINUOUS

Scott and Dave reach a clearing. Dave sees something, gulps, taps Scott on the shoulder. Scott is focused on his machine so it takes a few taps.

SCOTT

Signal's really strong. Coming from dead ahead...

DAVE

Oh my Joss!

SCOTT

What?

DAVE
(points)
That!

In a clearing on a small hill, rests a large UFO which pulsates with an inner glow.

EXT. CLEARING - DAY, CONTINUOUS

Scott and Dave peer at the UFO. Scott looks at the UFO, then his tracking gizmo, then the UFO again.

SCOTT
Her signal's coming from inside
that thing!

DAVE
Those alien bastards have kidnapped
our kitty!

SCOTT
Probably to do some fiendish
experiments on her or something!

DAVE
We've gotta save her! We've got to
figure out a way to get inside that
UFO.

Dave dashes o.s.

SCOTT
(fiddles with gizmo)
I'll reverse the polarity then
reconfigure the main deflector to
modulate their shield harmonics...

Dave returns with the hockey sticks.

DAVE
Or we could bash our way in with
these.

Dave hands one to Scott, who puts the gizmo aside.

SCOTT
(quick; shrug)
Yeah, okay.

INT. UFO - DAY

GEEK walks into a large alien room (not unlike the background we used for "Flashback to the Future") and makes her noise.

EXT. UFO - DAY

Scott and Dave stand just below the UFO.

DAVE
I can't see any doors.

SCOTT
Let's make one!

They both start wailing on the hull of the UFO with their hockey sticks.

DAVE
Let our kitty go you sick alien perverts!

SCOTT
Geek! We're coming, baby! We'll save you!

INT. UFO - DAY

We reveal that Geek is not alone; there are (if possible) 47 OTHER IDENTICAL CATS there. They meow at each other as if in conversation (or snooze, or other cat stuff).

The LEAD CAT meows at something in particular.

LEAD CAT
(to Geek)
Meehh!

On a MONITOR, we see Scott and Dave yelling and whacking the UFO. (If possible, Geek shakes her head in dismay.)

The Lead Cat points. Geek leaves.

EXT. UFO - DAY

Geek materializes at Scott and Dave's feet.

GEEK
Meeeh!

DAVE
Oh, baby, thank goodness you're
safe!

The UFO begins powering up.

SCOTT
What's that noise?

They both run away, Dave carrying Geek, Scott carrying the
hockey sticks.

EXT. FOREST - DAY

Scott and Dave watch the UFO take off. (Could just be ON
THEM, with lighting effect.)

SCOTT
We must have scared them away!

DAVE
That'll teach 'em!
(baby talk; to Geek)
Isn't that right, bubulah?

SCOTT
Let's go home!
(looks around)
Now which way?

Dave rolls his eyes.

INT. UFO - DAY

As the UFO ascends, Lead Cat speaks with another CAT as they
watch the monitor.

CAT
(subtitles)
Whew! That was close!

LEAD CAT
(subtitles)
Too close.
